 - a. Find and Compare Plans that Cover Drugs (this is if you want to change or enroll)
 - b. Enroll in a Medicare Prescription Drug Plan
 - c. View your current plan (if you need to know what coverage they have)
4. Click on "Find and Compare Plans that Cover Drugs".
5. Click on "Personalized Plan Search".
6. Enter the information as prompted and it will generate a list of several plans to choose from. You will also be presented with a prompt to Enroll at that time.
